Express: Timed delivery Service with GLS

Do your urgent parcels need to be delivered against a cash payment? Do you expect immediate information on your mobile phone after delivery of your urgent parcel? Book one of our optional services in combination with *Express Parcel* to increase its value.

12:00 Service

For more speed and flexibility: Optimise the delivery time for your urgent express consignments with our 12:00 Service.

To check whether this service is available for your consignee's postcode, please visit our website www.gls-express.ie or contact your GLS Ireland depot.

Cash Service

Minimise bad debts and additional administrative expense.

Cash Service in combination with the *Express Parcel* allows a maximum COD amount of € 2,500.- per consignment.

The reference field in the order entry facilitates the allocation of the cash amounts required.

AddOnInsurance Service

If required, increase insurance up to € 3,500.- per express consignment.

SMS Service

You are often en route, but wish to keep an eye on your express consignments?

The *SMS Service* puts things right: Immediately upon delivery we will inform you directly to your mobile phone that your commodities have reached the consignee in time.
